

CFMS Cady Mountain Collecting Trip

WHEN: Saturday November 5th at 8:00 am

WHERE: Cady Mountains

MEET: Basin Road exit of I-15 on the South Side for orientation and sign in.

WHAT TO BRING:

- collecting bags/buckets
- rock hammer, digging equipment, safety glasses and spray bottles
- First Aid kits.
- Bring lunch. Plenty of water and a camera, this widespread field offers no shade so use sun screen and protect yourself.
- Refer to your Society's Member Handbook for a guide to other helpful hints.

Note: This is the heart of the Mojave Desert and the weather can be unpredictable at this time of year so dress accordingly. This trip may be canceled at the last minute due to bad weather, so please feel free to contact us the night before if weather is questionable.

Material: We will be collecting Agates and Jaspers.

The Plan:

- From the meeting spot we will caravan for about 20 minutes to collecting site
- We will be traveling thru a sandy wash so 4X4 is a must.
- Gas and food are available in Barstow. Come with a full tank of gas.
- Waiver of liability will be signed at the meeting spot.
- If you would like to stay for the weekend, this general area offers a wide variety of material so bring your rock collecting guides.

Treat the desert with respect - tread lightly and pack it in / pack it out.
