

PASADENA LAPIDARY SOCIETY

Field Trip to the Palos Verdes area

Saturday, July 18th 2015

9am - 4pm

Directions

First Collecting Area: Livingstone Quarry for Barite, Dog-Tooth Dolomite and Selenite. 9am - 11:30am. Directions from Pasadena, CA. A potential GPS address is 32201 Forrestal Dr Rancho Palos Verdes, CA 90275 (Ladera Linda Park, just down the street from where we plan to meet).

1. Take Marengo Ave to CA-110
2. Follow CA-110 and I-110 South through Los Angeles. Take the exit toward Gaffey St/San Pedro from I-110 South – 37 min (31.1 mi)
3. Use the left 2 lanes to turn left onto N Gaffey St (signs for I-110/San Pedro) 0.2 mi
4. Turn right onto W 1st St – 1.0 mi
5. Turn left onto Western Ave – 1.7 mi
6. Turn right onto W 25th St – 1.0 mi
7. Continue onto Palos Verdes Dr S – 1.1 mi
8. Turn right onto Forrestal Drive and continue to the end of the street where we will park along the curb.

Directions to the Second Collecting Area: Bluff Cove for Glaucophane, Barite and Borate. 12pm – 4pm -- Across from address 650 Paseo del Mar, Palos Verdes Estates CA.

1. Head southeast on Forrestal Dr toward Pirate Drive. 0.3 mi
2. Turn right onto Palos Verdes Dr South. 8.9 mi
3. Turn right toward Palos Verdes Dr West. 98 ft
4. Turn right onto Palos Verdes Dr West. 0.2 mi
5. Turn left to stay on Palos Verdes Dr West. 0.6 mi
6. Turn right onto Paseo Del Mar. 325 ft
7. Turn right to stay on Paseo Del Mar – Park along the ocean side of the road near the Bluff Trail.
