

Pasadena Lapidary Society 2017 Quartzsite Field Trip

This year's January field trip will focus on the Quartzsite Improvement Association's Pow Wow rock and gem show. This show is from Wednesday, January 18th through Sunday, January 22nd.

In lieu of having separate field trips, we will be focusing on seeing new collecting areas in the Quartzsite vicinity in conjunction with visiting the Pow Wow show by joining the local rock and gem club on their interesting daily outings!

This web site will show the times and meeting locations for the various trips:
